## ABOUT TRINITY OAKS OUTDOORS

Trinity Oaks Outdoors, a faith-driven national organization, together with premier sporting properties and dedicated volunteers creates lasting change in the lives of youth, veterans, first responders, and those suffering from life-threatening illnesses. Through outdoor activities, we empower hearts, instill hope, and make a profound difference, setting ourselves apart with our values-guided approach to healing and transformation. We offer a range of programs to serve these people in our communities.

## EVENT SPONSOR

Our Wings of Hope program provides a fully-funded, four-day waterfowl hunting experience for 36 underprivileged youth and 36 veterans across six events. Serving Middle TN, West TN, and Northeast Arkansas, the program supports youth from disadvantaged backgrounds and veterans struggling with PTSD or life-altering injuries.

A donation of \$1,766 per participant covers everything from: firearms, ammunition, meals, lodging, transportation, entertainment, and essential hunting gear. By sponsoring an individual, you offer an incredible outdoor adventure and contribute to their mental and emotional well-being. The program empowers youth with new skills and experiences while providing therapeutic recreation for veterans, fostering camaraderie and support.

Your support is crucial in continuing this valuable program. Sponsor an individual to make a meaningful impact and offer hope, healing, and a once-in-a-lifetime experience to those who need it most.
