

Hosted by **Trinity Oaks Outdoors** in partnership with the **Fort Worth Police Department**, this full-day outdoor experience is designed to give kids ages **10–17** a chance to **learn, grow, and have fun** — all at **no cost to families**.

But this isn't just about target practice and ATV rides — it's about **building trust, confidence, and community**. With the support of local law enforcement and experienced volunteers, kids will walk away with **new skills, new friendships**, and maybe even a **new outlook**.

This event is proudly held at the **Bob Bolen Public Safety Training Complex**, a state-of-the-art facility operated by the Fort Worth Police Department. Officers will be onsite throughout the day — helping guide the kids, teaching safety, and creating positive connections that extend beyond this one event.

 *Our mission is to show youth that police are not just protectors, but mentors, neighbors, and positive role models working to build a better future — together.*

What to Expect / Activities Section

Kids will rotate through activity stations to experience:

-  Shooting .22 Rifles
-  Skeet Shooting (Shotguns)
-  Archery
-  ATV Safety and Driving

 **All equipment provided**

 **Lunch, snacks, and drinks included**

 **T-shirts, goodie bags, and prize drawings for every participant**

 **FREE EVENT — Limited to the first 150 youth (ages 10–17)**

 **Pre-registration and a signed waiver are required (digital or printed accepted, must be shown at check-in)**
