WINGS OF HOPE GALA

ABOUT WINGS OF HOPE

The Wings of Hope program is an extraordinary initiative providing a fully funded, four-day waterfowl hunting experience for 36 underprivileged youth and 36 veterans across six events. Serving Middle Tennessee, West Tennessee, and Northeast Arkansas, the program targets youth from disadvantaged backgrounds and veterans dealing with PTSD or life-altering injuries.

A donation of \$1,766 per participant covers everything, including firearms, ammunition, meals, lodging, transportation, entertainment, and essential hunting gear. By sponsoring an individual, you offer them an incredible outdoor adventure that promotes mental and emotional well-being.

The program empowers youth with new skills and experiences while offering therapeutic recreation for veterans, fostering camaraderie and support. This initiative not only introduces participants to the joys of hunting but also strengthens community bonds and provides vital support to those in need.

WAYS TO DONATE

If you cannot attend the event but want to sponsor a youth or a veteran, please use the link or QR code to donate. Your generosity will help make a significant difference in their lives.
